LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts the omission of which would make any statement herein misleading.

RECOMMENDATION

The Directors consider that the granting of the Repurchase Mandate, the Issue Mandate, the extension of the Issue Mandate and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders should vote in favour of the resolutions to be proposed at the AGM.

ADDITIONAL INFORMATION

Your attention is drawn to Appendix I hereto which is an explanatory statement as required under the Listing Rules to provide the requisite information regarding the Repurchase Mandate.

GENERAL

The translation into Chinese language of this circular is for reference only. In the event of any inconsistency, the English language text of this circular shall prevail over the Chinese language text.

Yours faithfully,
By order of the Board
TANG To
Chairman

The following is the explanatory statement as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

For the purpose of this Appendix I, the term “shares” shall be as defined in the Hong Kong Code on Share Repurchases which mean shares of all classes and shares which carry a right to subscribe or purchase shares.

The explanatory statement also constitutes the memorandum as required under Section 49BA(3)(b) of the Companies Ordinance.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their fully paid-up shares on the Stock Exchange subject to certain restrictions, which include but not limited to the following:

(a) Shareholders’ Approval

The Listing Rules provide that all on-market share repurchases by a company with its primary listings on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchases.

(b) Source of Funds

Repurchases must be made out of funds which are legally available for such purpose in accordance with the company’s constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 710,022,692 Shares.

Subject to the passing of an Ordinary Resolution for approving the Repurchase Mandate at the AGM, and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 71,002,269 Shares, representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the company and/or the proceeds of a new issue of shares made for the purpose of the repurchase to such extent allowable under the Companies Ordinance. The Companies Ordinance further provides that the amount of premium payable on repurchase may only be paid out of the distributable profits of the Company. Where the repurchased shares were issued at a premium, any premium payable on repurchase may be paid out of the proceeds of a fresh issue of shares made for the purposes of the share repurchase up to certain limits specified by the Companies Ordinance.

There might be material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated accounts contained in the Company's annual report for the year ended 31st December, 2007 in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months before the Latest Practicable Date were as follows:

	Share Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
April 2007	0.77	0.63
May 2007	1.49	0.67
June 2007	1.78	1.27
July 2007	1.65	1.34
August 2007	1.43	0.81
September 2007	1.38	1.08
October 2007	1.40	1.00
November 2007	1.08	0.70
December 2007	0.88	0.72
January 2008	0.80	0.65
February 2008	0.80	0.65
March 2008	0.75	0.68
April 2008 (up to the Latest Practicable Date)	0.82	0.66

6. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they would exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate only in accordance with the Listing Rules, the Companies Ordinance and other applicable laws of Hong Kong.

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeover Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeover Code.

As at the Latest Practicable Date, Cosmos Machinery (Holdings) Limited together with its associates were beneficially interested in 297,157,052 Shares representing approximately 41.85% of the issued share capital of the Company. These 297,157,052 Shares include 170,104,452 Shares directly held by Tai Shing Agencies Limited, an indirect wholly owned subsidiary of Cosmos Machinery (Holdings) Limited, representing approximately 23.96% of the issued share capital of the Company. If these shareholdings remain the same and in the event that the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Mandate, the shareholding of Cosmos Machinery (Holdings) Limited together with its associates in the Company would be increased to approximately 46.50% of the issued share capital of the Company. Such increase would give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeover Code. As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent as would trigger the obligation of mandatory offer under the Takeover Code. China Resources (Holdings) Company Limited was beneficially interested in 169,649,046 Shares representing approximately 23.89% of the issued share capital of the Company. If such shareholdings remain the same and in the event that the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Mandate, the shareholding of China Resources (Holdings) Company Limited in the Company would be increased to approximately 26.55% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeover Code. The Company may not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. SHARE REPURCHASES MADE BY THE COMPANY

The Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
